

My Invisible Knapsack

What is inside your Invisible Knapsack?

Your invisible knapsack includes all the things you carry around with you that other people can't necessarily see – what makes you who you are!

How do I fill out my knapsack?

1. Share as many words as you want to about who you are.
2. Add drawings, colours, stickers and other decorations to your knapsack.
3. Cut out your knapsack and hand it to your teacher.
